Richmond Ward

Relief Society Busy Bees Buzz

By Mima Williams

"Bees" heard buzzing around Richmond Ward are Relief Society sisters preparing for their Nov. 3 bazaar and dinner. They are busy sewing quilts, aprons, articles of clothing, and making novelties. The bakery will be bigger and better than ever with homemade pies, cakes, cookies and candies, as well as breads and rolls. There will be cartoons and short movies to entertain the children. The white elephant booth will have many articles to please you. Bring your Christmas list and your appetites and enjoy a lot of fun with us. Last but not least will be a "jitney dance." You'll have to come out to find out what it is.

Many of our full-time missionaries have returned from their labors and are now back in school. Elder David Child, David Esperson, Jay Barker, Donald Esperson, Richard Cavin and John Phillip Day have returned to their studies. Those still in the field are Richard Tidwell, Leon Henderson, David Adams, James Alvin Rhoades, Richard Rogers, Douglas Clauson and Gregory Chester.

By Margaret Belz

Joyelyn Silver and Neil Mihlfeith were married in the Oakland Temple Sept. 1. Neil's parents, Brother and Sister Melvin Mihlfeith of Elgin, Idaho, were present.

Joyelyn's sister Joanne Silver served as maid of honor. Their reception was in the cultural hall of the Castro Valley Chapel.

Joyelyn and Neil attended Ricks College in Rexburg, Idaho, where they met.

After their honeymoon in Carmel, they returned to Idaho to make their home in Pocatello.

San Francisco Ward

Announce New Primary Heads

By Gloria Stracke

San Francisco Ward Primary presidency has been re-organized with Sister Shirley Nay as president and Carolyn Marsh and Karen Radisky as her counselors. Sister Nay is recently from Iran, where her husband was stationed for two years.

Carolyn Marsh is the wife of San Francisco Stake Institute Director LeVar Marsh. Karen Radisky is a BYU graduate and a child care teacher.

Bishop Alger's daughter Sharon, has been working in Hawaii as a dental assistant. Her sister Sandy joined her for part of the summer to enjoy the Island's sun and fun.

John Ah Nin, grandson of Christine Ah Nin (long time member of the ward's Relief Society staff) is home on leave. In late July, John, an infantryman in Viet Nam, tripped a booby trap and received severe wounds that caused him to lose the use of his right arm. John's comment regarding his Viet Nam tour of duty is that it surely made him appreciate this country more after seeing the plight of the people there.

The ward's recent first social of the season ("Family Affair") saw a nice turnout with a delicious pot luck served and an interesting program of ward talent presented. This event helped create an atmosphere of ward family togetherness that the bishopric is trying to promote.

George no longer thinks Mussorgsky is a halfback at Notre Dame
But he did until he heard the Standard School Broadcast's orchestra play a selection by this great Russian composer.
George is one of about three million students in the West who listen to our radio program in their classrooms each week. For many it may be their first opportunity to hear the world's great music—an experience which may open the door to a lifelong, rewarding interest.
We've provided this aid to education for 40 years. Why? We're specialists in natural resources and we realize that youth is the greatest natural resource there is. The more we help young people now, the more they'll contribute to our country in the future.
The Standard School Broadcast, scholarships, fellowships and teaching materials are but a few of the ways our Company shows its continuing interest in today's young men and women.
Standard Oil is trying to help young people discover more about themselves . . . and the world they live in.

FREMONT WARD

By DOROTHY A. SPOON

All five wards of Fremont Stake supported the stake's first Pioneer Day celebration in the San Ramon Hills. At this private park all facilities were available at no charge: swiming, ball playing, volley ball, slides and swings, hiking trails, and horseshoe pits. The large barceque pit was in constant use from 5:00 p.m. to 8:00 p.m.

Following Bishop Sanderson's suggestion of really getting into the spirit of Pioneer Day by dressing as pioneers, he, Frace, Carol, Mark, and Ann McOmber, Dorothy, Ora Mae, and Vernon Spoon, complied and were truly in the spirit of pioneer day.

The evening program was under direction of the Fremont Stake presidency, Brother Francis Winkel and Sister Rose Winkel. Phil Urie from Fremond 3d Ward acted as master of ceremonies, with Brent White at the xylophone and Craig Seavers in charge of the lighting.

Mountains in the back ground, bright stars in the sky, and the singing of pioneer songs brought out the spirit of Pioneer Day.

First place in the Fremont Stake roadshow was won by Fremont 3d Ward for its presentation of "What Would Have Happened if Cinderella Had Had a Fairy God Father Instead of a Fairy God Mother?"

Second place was won by Fremont 1st Ward for "What Would Have Happened if Teenagers Could Vote." Fremont Ward also had two additional awards: "Most Participation" and "Most Courteous."

The entree put on by Beehives and Scouts was under direction of Sister Sylvia Hansen.

Student Leaders Counseled At BYU

Create a climate in which the self-confidence of others is enlarged, Elder Marion D. Hanks of the First Counil of Seventy told BYU student leaders at a pre-school training conference, which ended September 8.

More than 90 leaders and their advisers attended the five-day conference at Aspen Grove in Provo Canyon. Eldr Hanks was invited to talk concerning "personal commitments." He challenged the leaders to have ourage to do what "you know is right.'

Setting a theme for leadership on a Church campus Elder Hanks said leaders must have the capacity of imparting their vision to others. With all of your strivings, all of your struggles, never undervalue the development of real character. This is an important period for you in the formation of character, he explained.

Developfent of character constitutes your major purpose in life. Endeavor to establish values that will make it the kind of character that will equip you to live confidently in the presence of God, Elder Hanks admonished the elected and appointed student officers and their advisers and trainers.

Oakland Genealogical Library

LIBRARY AIDES: The library is currently recruiting VOLUNTEER workers for the many tasks necessary to its proper functioning. In addition to Consu'tants and Research Specialists., there is a need for typists, filing clerks, catalogers, book repairers, microfilm clerks, greeters and checkers to sit at the front desk, information clarks, and equipment repairmen. Anyone interested in this type of important and rewarding Chucrh Service, should make his wishes known to his or her Bishop.

Special training classes will be held for all library workers on October 13th, 20th, and 27th at 7:30 p.m. in the library on Temple Hill.

NEW INDEX: Of interest to all researchers with British ancestry, is the acquisition by the library of a new INDEX In the words of Mary B. Russell, British Research Specialist, "It is quite exiting . . . . (as it) ontains many parish registers that have never befor e been printed or filmed. I could have saved over three thousand dollars if we had had these registers 30 years ago. People interested in Derbyshire, Warikshire, Staffordshire & London and many more places — will find the very register they need."

PRIESTHOOD THREE GENERATION GROUP SHEETS: All of the microfilms (600 of 100 feet eah) are now permanently located in this library. They ontain all of the family group sheets submitted by the Church members in 1965 during the all Chucrh project to register our individual familis. These reords are valuable particulary to someone starting to do his research so that he may learn quickly what has already been a omplished on his lines. Also it enables one to find who else is interested in the same lines of rsearch so that a family organization may be effected.

READING MACHINE: An additional reading machine has been added to the equipment list through the courtesy of the Concord Stake — making a total of twenty-two. Patrons are less likely to have to wait for a turn at a reading machine.

ACCIDENT: Friends of the library will be grieved to know that Sister Mary B. Russell suffered a fractured hip several weeks ago in a fall. Sister Russell is a specialist in British Research who has literally helped thousands of patrons.
